

Name	Guy Rundle
Category of governor	Associate
Term of office	Until October 2025
Business / work	St. John's Primary School
Governance experience	I have been on St John's Governing Body for several years.
Hobbies and interests	I am the father of 2 young children so plenty of my time is spent with them and keeping them busy but outside of this I love cooking and socialising with friends.
Links to the school/area	I have worked at school for approximately 11 years, I initially came for an interview for a teaching job before doing some supply work. I was then offered the chance to cover a maternity leave and I'm still here now in a slightly different role as an Assistant Head alongside Kelly Bewick.
Why did you become a governor?	When I became an Assistant Head I became an associate governor; being a governor provides with a view and understanding of how the school is run which I did not necessarily have before I became part of the SLT. I enjoy working with the other governors to provide our children with the best education possible.
