Learning to live, living to learn

“pupils thrive here..”

At St John's Primary every child is equal, valued and unique. We aim to provide an environment where all pupils feel safe and can thrive. We believe that learning is a shared lifelong experience. We celebrate our differences and learn as much as possible from each other, understanding that each of us are different and we are all equal. We will respond to individuals in ways which consider their varied life experiences and particular needs.

Staff at St John's Primary are committed to providing an education that enables all pupils to make progress so that they achieve their best, become confident individuals living fulfilling lives and make a successful transition into adulthood.

“the school is the heartbeat of the community”

St John's Primary School is an inclusive and welcoming school in which your child will learn and develop to their full potential. Strong partnerships between staff, pupils and families help us maintain a relationship between home and school, based on trust and shared knowledge. Working in partnership with parents/carers, external agencies and Newcastle Local Authority ensures the best possible outcomes for our pupils.

St John's Primary School Special Educational Needs Information

The intention of this document is to provide parents, carers and families with information regarding the support we have on offer for all our pupils, particularly those identified as having a special educational need or disability. We continue to monitor, update, modify and add to our knowledge and expertise in areas of SEN to effectively meet each individual pupils needs.

There are several reasons why a child may be identified as having Special Educational needs (SEN):

1. They are having significant difficulty with their learning and making less progress than would be expected for their age group.
2. They have a specific learning difficulty, for example Dyslexia.
3. They have emotional or mental health difficulties.
4. They have difficulties with social communication and interaction.
5. They have sensory and/or physical needs, for example a hearing or visual impairment.

If you would like further information, or a chat, please contact one of our 2 SENCOs;

St John's Primary School operates its SEND provision in line with Newcastle Local Authority's SEN and disabilities policies and procedures. View [Newcastle Local Offer](#) to access more information.

For all children at St John's Primary School with SEND:

- We deliver quality first teaching for all children to promote pupil progress.
- Learning tasks are differentiated, where appropriate, to match the child's ability
- Children with additional needs are placed on the school SEN register. Progress is monitored and support from outside agencies is requested where appropriate
- We use pupil centred SEND support plans which clearly state the pupil's area(s) of need, their targets and the provision and resources to be implemented to support them in meeting the targets set for them.
- We use Newcastle Universally Available Provision to support provision.
- We involve the pupil, families and key staff members in the writing, implementing and reviewing of individual education plans.
- We deliver high quality teaching, an accessible curriculum and resources to meet the needs of individual pupils and to promote pupil progress.
- We seek support and advice from a range of outside agencies to ensure barriers to success are fully identified and responded to.
- We operate a graduated response based upon need: assess, plan, do, review which is monitored by the SENCO.
- All school-related activities are evaluated in terms of their positive impact on the learning success and inclusion of pupils with SEND.
- We use strategies to reduce anxiety/ promote emotional well-being.
- We ensure that our school activities and trips are accessible to all children including our SEND children.
- Support staff are placed where they are needed throughout the school to ensure pupil progress and independence.
- All staff have completed and continued to receive, on-going training in relation to meeting pupils' needs in the classroom.
- We have an experienced FSW (Family Support Worker) who provides support for families and is able to signpost them to services and organisations which may offer appropriate support and advice.
- We offer support to all pupils and parent/s or carer/s during periods of transition; Pre-school to Nursery, Early Years to Key Stage 1 and Year 6 to Secondary School
- We liaise closely with secondary schools at transition times to ensure that SEN pupil information is clearly communicated so that the move to secondary school is as smooth as possible.
- We work in partnership with families to meet the needs of individual pupils.

Specific provision is also provided for the different area of need. The table below explains the detail of this support.

SEND Information, Advice and Support Service provide information, advice and support at any stage of a child or young person's education, and provide an Independent Supporter for families in the process of getting an Education Health and Care Plan.

This is an impartial confidential service.

They provide information, advice and support for

- Parent's and carer's of children with special educational needs
- Children and young people up to the age of 25 years

They specialise in education matters but can support with social care and health issues by signposting to partners like [PALS](#) and [Healthwatch](#) (for health) and to voluntary organisations who have expertise with a wide range of services.

There are two different strands of support available from SEND Information, Advice and Support Service;

- Information, Advice and Support for Education and
- Independent Supporters

SEND Information, Advice and Support for Education

The team will have an initial conversation with anyone who calls the service and the support will come from a volunteer known as a **Specialist Special Educational Need and Disabilities Supporter**.

Parents can have their concerns listened to, Special Educational Needs policies and procedures explained to them and be offered practical support to help them in their discussions with schools, the Local Education Authority and other statutory agencies.

For more information, the team can be contacted on 0191 211 6255, sendiassadmin@newcastle.gov.uk
